Mobius Innovation & Development, Inc. Launches Corporate Website

Rockledge, FL. (October 27, 2005) – Mobius Innovation & Development, Inc., a leader in CAD consultation has kicked off its brand recognition effort by launching its corporate website (<http://www.mobiusid.com>).

The website contains important information related to services Mobius Innovation & Development can provide. “I am pleased with the initial deployment of the site”, said Tim McLellan, President of Mobius Innovation & Development, Inc. “It signifies the first step in getting the brand name out in the market. It will provide our clients with an easy location to reference and contact us.”

In addition to information about the services Mobius Innovation & Development, Inc. has to offer the site will also provide details on Mobius mission and values, recent announcements, publications, and other valued corporate information.

###

About Mobius Innovation & Development, Inc.
